

SECRETARY HOUSTON MAY FOLLOW GLASS AS SEC. OF TREASURY

[Republican A. P. Leased Wire]
WASHINGTON, Jan. 26.—Unless plans are suddenly changed, President Wilson is expected to transfer Secretary Houston from the department of agriculture to the treasury department, to succeed Carter Glass, who is about to take his seat as senator from Virginia.

It was understood today that the nomination of Mr. Houston had been prepared, and unless some development arises, it is expected to be presented to the senate soon.

The move would be the first transfer of a cabinet officer from one department to another during President Wilson's administration.

Mr. Houston's successor as secretary of agriculture has not been announced, but it is believed he will be one of the men identified with the work of that department. In official circles Mr. Houston is credited with having been willing to accept the treasury portfolio when William G. McAdoo resigned.

Before entering the cabinet, Mr.

Houston was a college professor at St. Louis and it is said that as secretary of agriculture he has been close on the inside circle of the administration.

Until today the name of Assistant Secretary Leffingwell was foremost among those being mentioned to succeed Secretary Glass.

DeKAY 'CHUM' IS SILENT AND NEW MYSTERY ADDED

JOHN V. DEKAY

JOHN WALTON DEKAY

Three Separate Angles Now Bob Up in Disappearance Case

(N. E. A. Special to The Republican)
CHICAGO—Mile. Didi Salter, the mysterious "chum" of Jeanne Anna DeKay, missing from Hull House since Dec. 30, has become almost as much of a mystery as the DeKay girl herself. John Walter DeKay, brother of the missing girl, has described Mile. Salter as a "fine, simple, straight-forward young woman." He became very friendly with her on shipboard, bound for America.

Since the case has become a nationwide mystery, the "chum" has kept under cover. That Mile DeKay was in

possession of secrets of international intrigue has been intimated. It is known that the state department at Washington is working on the disappearance problem.

Miss DeKay's dropping out of sight furnished the first mystery. A telegram from her father, in Lucerne, Switzerland, in which he said, "Received telegram. Very anxious. Jeanne confident in Rumanian lady. Always send wires Lucerne. Love," added another touch. And now Mile. Salter's reign of silence makes the case more puzzling than ever.

FOURTH ATTEMPT TO RESEAT SOCIALISTS FAILS IN NEW YORK

ALBANY, N. Y., Jan. 26.—A fourth attempt to reseat the five socialist assemblymen, suspended for alleged disloyalty, failed tonight in the lower house, and their trial, adjourned last Thursday, will be resumed tomorrow before the assembly judiciary committee.

The New York City Bar association,

which has opposed suspension on the ground that it threatened representative government, has not given up its fight.

This was shown tonight when Assemblyman William C. Amos, introduced a memorial from the special committee headed by Charles E. Hughes. This, Speaker T. S. Sweet, announced, would be printed as a public document.

The effort to reseat the socialists came when a resolution, introduced last Monday by Mr. Amos, was read. Simon L. Adler, majority leader, raised the point of order that the resolution was, in effect, an amendment to the original suspending resolution, which was no longer before the house.

Speaker Sweet ruled the point of order was well taken. Mr. Amos appealed, but the assembly, by an overwhelming vote, sustained the speaker.

Think of Men You Know

Men who saved money and men who did not. All of those who formed the habit of saving may not be very brilliant men, but compare them with the spendthrifts. Who's ahead? Certainly not the "good fellow" that carelessly "blew in" a five here and a ten there.

Now, get down to bed-rock with yourself—Where are you going to be financially ten years from now? Remember it isn't what you earn, that counts—it's what you SAVE. A dollar starts the account that earns 4% interest.

PERSHING RECEIVES GREAT OVATION IN LOS ANGELES VISIT

[Republican A. P. Leased Wire]
LOS ANGELES, Cal., Jan. 26.—General John J. Pershing's visit here today was a continuous ovation. Cheering crowds were everywhere the general was, from the time of his arrival shortly after 9 o'clock this morning, until midnight, when he left for San Diego. Thousands greeted him at the station, and other thousands cheered tumultuously his progress through the streets to and from Arcadia, where he inspected the army balloon school at Rose field.

The nine-mile trip in from Arcadia was made through solid lines of children and grown-ups, the former waving flags and throwing flowers in his path. Time after time the general halted the procession to step from his automobile and mingle with the children. Entering the city, he again stopped when he saw a banner held aloft bearing the inscription:

"Welcome, General Pershing—we are named for you."

Surrounding the banner were a dozen laughing or crying infants, each having John J. Pershing as his given name. The general kissed them all before continuing on his way.

THOMAS LOOKS FOR AMERICA DELEGATES TO LABOR CONGRESS

[Republican A. P. Leased Wire]
PARIS, Jan. 26.—Absence of American delegates from the first meeting of the governing body of the international labor organization today caused comment and discussion among delegates, as well as speculation as to the date the United States would be represented. Albert Thomas, former member of the French war council, explaining the situation to the Associated Press, said:

"It is evident that America, because of her failure to ratify the treaty, can not be represented. We feel so certain, however, that America eventually will be represented, that some of the states actually have delegates in the council of administration only temporarily, places being reserved for the American delegates when the treaty is ratified."

Concerning the standing of the Ger-

man delegates, Mr. Thomas said: "Their standing is like that of other nations. Having ratified the treaty, they have equal rights to report."

The council of administration today merely verified credentials and decided upon secretaries.

MEXICAN DEMOCRATS ISSUE MANIFESTO IN BEHALF OF BONILLAS

[Republican A. P. Leased Wire]
WASHINGTON, Jan. 26.—The danger of a country divided into two armed camps is pointed out by the national democratic party of Mexico, in a manifesto issued in behalf of its candidate for the presidency, Ignacio Bonillas, ambassador to the United States. The manifesto, a copy of which was received today, calls upon General Pablo Gonzalez and General Alvaro Obregon, rival candidates, to turn their

support to Bonillas as a civilian and thus avoid the armed conflict which the manifesto declares inevitable.

Victory for one faction, the manifesto says, would force the other group to take up arms and it is declared that one of the chief objects of the revolution was to exterminate the military caste that was imposed upon the country by the Huerta camp.

The people of Mexico are called upon to get together behind Bonillas for the same reasons that impelled them to support Carranza in 1917. The plea that these are "extraordinary moments" is raised to win support for Bonillas. Gonzalez and Obregon are reminded that they are in the prime of life and that they can run for the presidency at some other time when the dangers of a revolution are less.

SYRACUSE, N. Y., Jan. 26.—Mike O'Dowd of St. Paul knocked out "Young" Fisher of this city in the third round of a scheduled 10-round bout here tonight.
